

# Welcome to English in York

English in York offers students an excellent international learning experience.

We are very pleased that you have chosen to study with us! This information is to help you stay safe and enjoy your time in the UK; please read it carefully. If you have any questions, please ask; we are always happy to help.

# Before you arrive

- ✓ You must complete your placement test (online) at least two weeks before you begin your course at English in York. This helps us to check your English level so we can place you in the right class.
- ✓ Pay your deposit (see your Booking Confirmation document).
- ✓ Make sure we have Parental Consent via our booking form or a Parental Consent Form (if you are under eighteen).
- ✓ If necessary, apply for your Visa to study in the UK. Visit the UK visas and immigration website for help: <https://www.gov.uk/check-uk-visa>.
- ✓ Plan your journey from the airport to your accommodation. Tell the school your arrival date and time in York. If you need a taxi transfer, contact the person who processed our booking. Information about travel and transfers is on page 5 of this guide.
- ✓ Pack official documents you may need while you are here (e.g. school and medical certificates, a financial guarantee, proof of your home address).
- ✓ Read these safety guidance notes to ensure you have a safe and comfortable stay: <https://study-uk.britishcouncil.org/why-study/about-uk/health-welfare>.
- ✓ Organise travel insurance. We strongly recommend that you take out insurance in your home country so you understand the policy cover and restrictions fully.

## What should I pack?

Check the weight limit on your flight. Remember: you can buy most things when you get here. UK weather changes a lot, so you will need clothes for cold and warm weather. You should bring:

- ✓ Clothing and shoes for all seasons, including comfortable shoes and an umbrella.
- ✓ Medication – attach a note from your doctor for medicine, in case you are stopped at airport security.
- ✓ Universal power adaptors – necessary for using non-UK electrical goods.
- ✓ Evidence of sponsorship and Financial Guarantee (applies to Embassy sponsored students only) and
- ✓ Important documents – also photocopy and scan your plane tickets, passport, visa, birth certificate and home country driving licence if possible.

## What should I pack?

- ✗ You are not allowed to bring some items into the UK – particularly drugs, weapons and some food. A list can be found here:

[Bringing goods into the UK for personal use: Banned and restricted goods - GOV.UK](#)

## In your hand luggage, you should carry:

- ✓ a valid passport;
- ✓ all correspondence from the school, including your Booking Confirmation, Homestay Accommodation letter and Taxi Transfer Confirmation (where applicable). If you are under 18, you should carry your parental consent form. If you have booked your own accommodation, you must carry all the relevant information with you;
- ✓ evidence of funding / receipts for tuition fees and living costs, including a sponsor letter (if applicable);
- ✓ enough money (in pounds sterling) for the first few weeks at school and evidence of access to sufficient 'living costs' for the whole of your course;
- ✓ health certificates, including vaccination records, plus X-ray reports if necessary;
- ✓ medication;
- ✓ travel/medical insurance documents;
- ✓ valuable items: check your airline's rules on hand luggage.

## Useful information

### Money

We recommend students bring a cash card or credit card to the UK. Many shops and restaurants accept Visa and Mastercard. We strongly advise that you do not carry large quantities of cash and ensure valuables are kept in a safe place.

The best place to exchange money is at a bank. You could also try Ramsdens on Market Street. Always check how much you have to pay in commission.

If you need to open a bank account during your stay, we will try to help you.

## Health

We should book travel and medical insurance for your trip. Depending on your visa, you may be required to pay the immigration health surcharge when you apply for your visa.

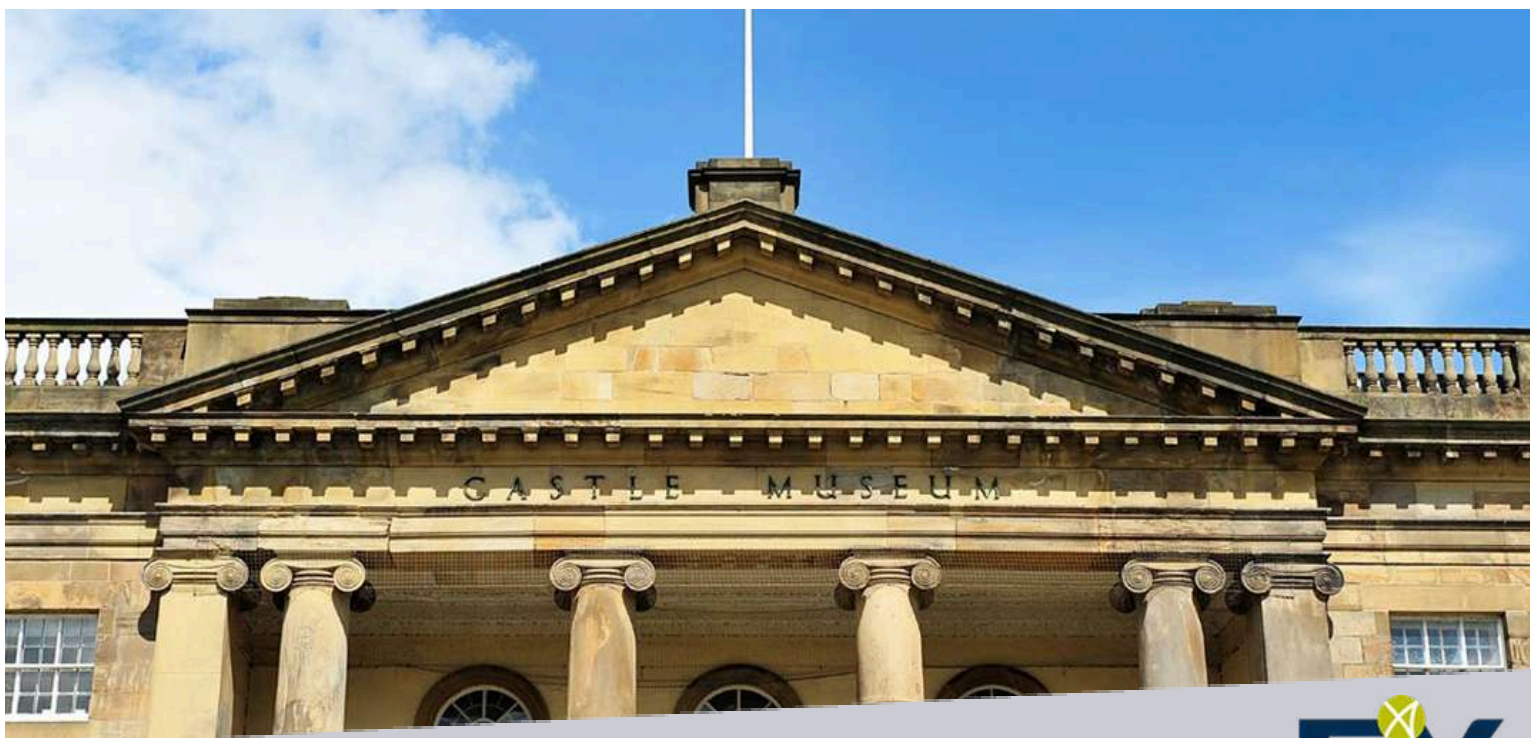

If you have any health problems, you can ask for help at reception. Ask any member of staff for help in an emergency. We recommend longer-term students register with a GP (General Practitioner), a doctor who looks after most general health problems, soon after you arrive in the UK. You can usually choose a male or female doctor. Reception will be able to help with this. There is no initial charge for a GP appointment, but there is a cost for prescription medicine. Services from dentists and opticians are not free (please speak to reception for advice).

If you have a minor health problem such as a cold or sore throat, you can visit a pharmacy (chemist) to buy treatments, for example: Boots on Coney Street (YO1 9QL).

For other non-emergency health problems you can call the National Health Service on 111, visit NHS online <https://111.nhs.uk/>, or see your doctor (GP).

If you have a serious accident or emergency, you should go to the Accident & Emergency (A&E) department of York Hospital (postcode YO31 8HE).

There is information about the UK healthcare system on this website: <https://www.ukcisa.org.uk/Information--Advice/Studying--living-in-the-UK/Health-and-healthcare>.

## For students at EiY for fewer than six months:

- Initial emergency healthcare services at a hospital accident and emergency department will be free, but you will need to pay for any further treatment or services.
- If your home country has a reciprocal health agreement with the UK, some costs may be covered or you may be able to reclaim some healthcare costs. If you are from an EEA country, you will need to get a European Health Insurance Card (EHIC) before travelling. Please check the UKCISA website (above) for a full list of entitlements to National Health Service (NHS) treatment.
- If your country does not have a reciprocal health agreement with the UK, you should buy health insurance before you travel to cover the cost of using medical services while you are in the UK.

## For students at EiY for more than six months:

- You (and your dependents) pay an immigration health surcharge during your visa application. Further information is available on the UK government's website: <https://www.gov.uk/healthcare-immigration-application>
- This does not include dental care or non-necessary treatment. You may need to buy health insurance to cover any treatment which is not covered by the NHS, or for private, non-emergency medical treatment.

# Stay safe in York

Please follow these guidelines outside school.

Always carry your EiY student card with you. It has the school telephone numbers on it. This can help you if you get lost or have problems with your phone! Write your homestay family's name, address and telephone number on the back. Save the school numbers in your phone.

Many students take the bus to school in York. Check bus times here: [www.itravelyork.info](http://www.itravelyork.info)

If you miss your bus and will be home later than planned, please contact your host family. Do not walk long distances alone at night.

Be careful! In England everyone drives on the left. Check carefully before crossing a road.

York is usually a safe place, but at night, please be careful. For example, do not go near the rivers or into the parks when it is dark. Do not go to places where there are no other people. Do not swim in the rivers!

If you go out in the evening or at the weekend, you must tell your host family who you are going with and where you are going. Stay in small groups whenever possible and look after your friends. Plan how to get home in advance. Check the bus timetable; some buses stop running quite early.

If you need a taxi, we recommend Streamline on +44 (0)1904 656 565.

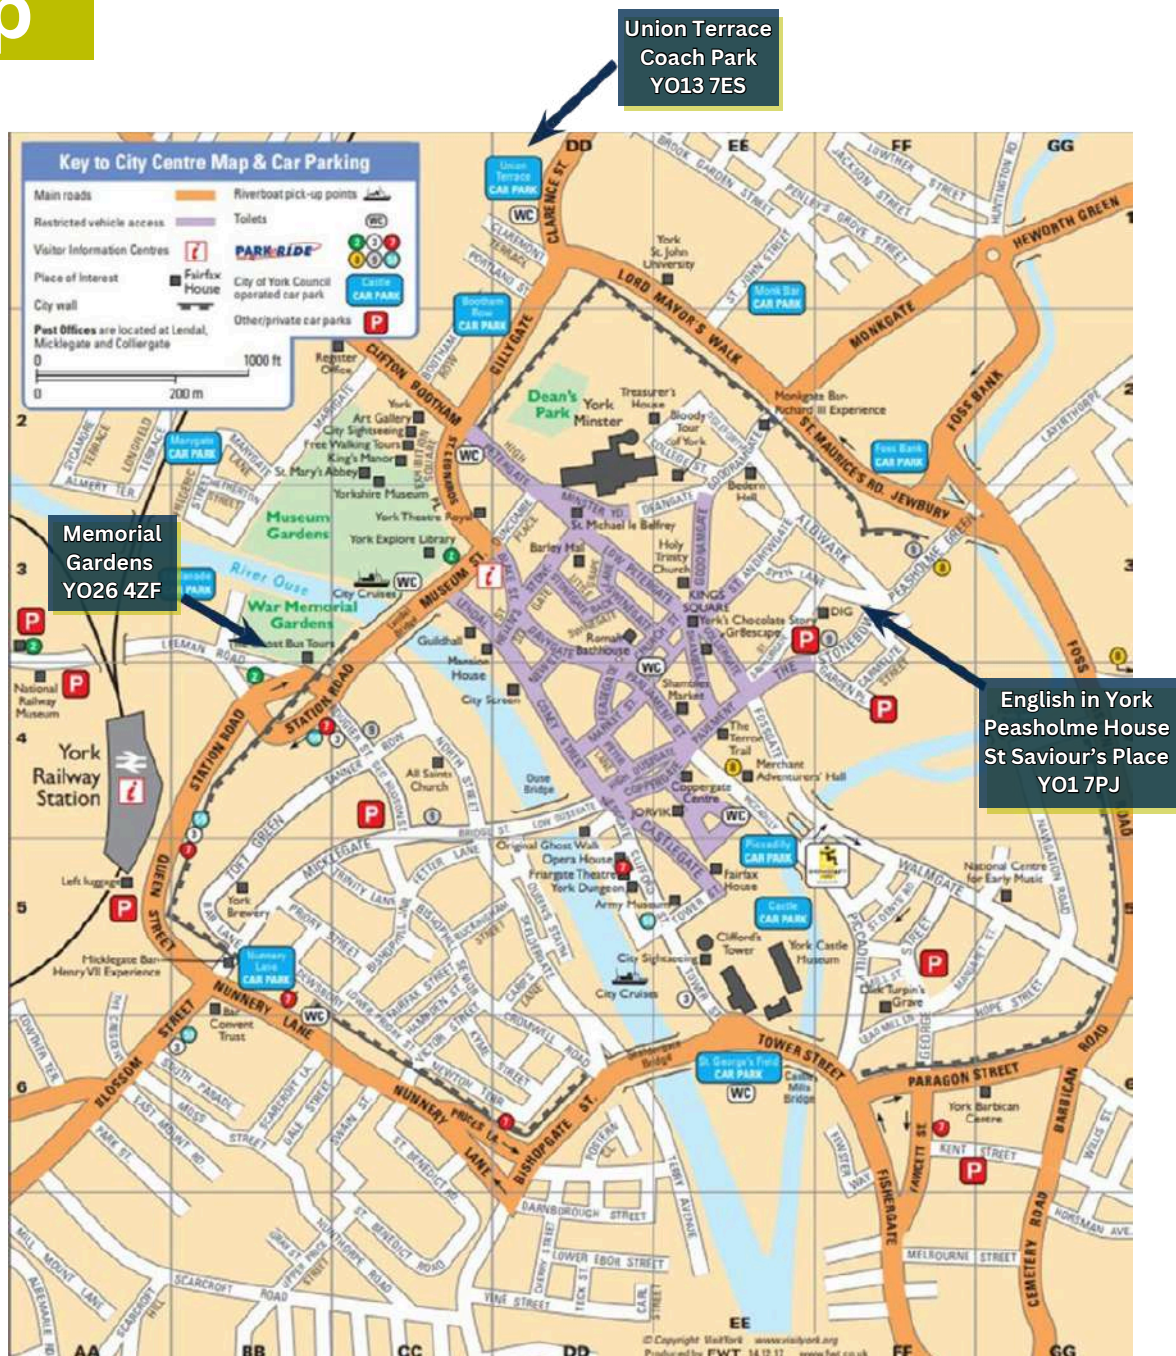

Keep your mobile phone fully charged and turned on. If you are going out in the evening, tell your host your plans and keep in touch. They need to know you are safe.

If you are under 18, you must go back to your homestay accommodation before 22:30. Over 18s can arrange a home time with their homestay host.

Please call your group leader or the emergency number if you have a problem (+44 (0) 7808 918 876).

The number for emergency services (police, ambulance, fire service) in the UK is 999.

York city centre is quite small and easy to see on foot. However, you may need to take the bus from your Homestay to the city centre. Your host can tell you about the buses from their home to the city centre. For help with planning your journey, please visit [www.firstbus.co.uk/york](http://www.firstbus.co.uk/york).

You can buy a weekly bus pass for First York buses from the bus driver (2026 - currently £24 per week for unlimited travel for adults). ## Entertainment

One of York's most popular evening activities is visiting a pub or club (over 18s only). Pubs serve alcoholic drinks but you do not have to drink alcohol when you visit a pub. Pubs also offer soft drinks or hot drinks. Many of the pubs in the city centre serve food, which is usually traditional and quite simple, but good value for money. In the evenings, some pubs also offer entertainment such as live music, quizzes and karaoke. Most pubs are open seven days a week. If you want more information about good pubs to visit, look at the notice boards or ask at any member of our team for more information. Please note that it is illegal for anyone under the age of 18 to buy or drink alcohol in the UK.

There are several nightclubs in York, all of which are open until the early hours of the morning. All the nightclubs have a "student night" at least once a week. The minimum age to enter all nightclubs in York is 18, and you may be asked for identification.

York has cinemas; two in the city centre, one at Clifton Moor Retail Park and one near Vangarde Shopping Park. Special offers apply on certain days / evenings. You can look at their websites for more information:

# British Values

Our School Values actively reflect the British Values which all UK schools are expected to support:

## Democracy

1. We all have a voice

## The rule of law

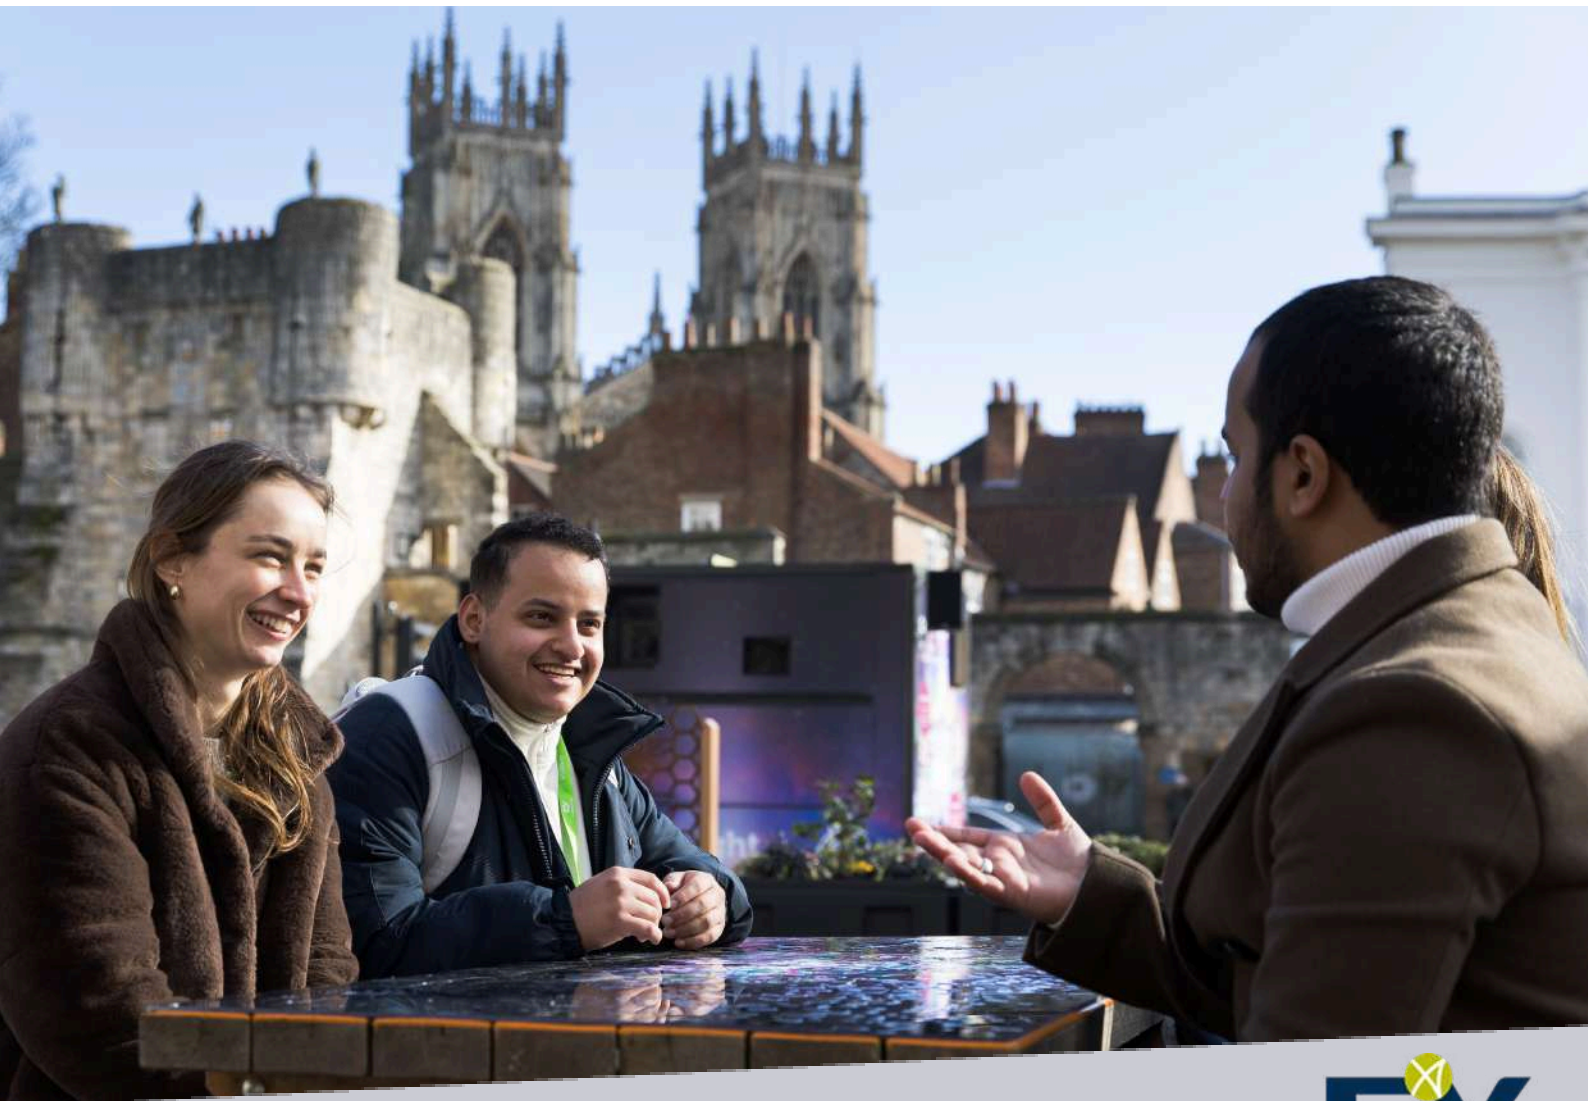

2. We have rights and responsibilities; laws protect everyone

## Individual liberty

3. We are free to choose and we consider how our choices affect others.

## Mutual respect and tolerance of those with different faiths and beliefs

4. We are respectful to others and we celebrate diversity.

# English in York Policies

In order to keep our school running smoothly and ensure that all our students are safe and happy, we need to have policies and procedures.

## Policy regarding students under the age of 18 years

**English in York (EiY) offers courses for adults and does not provide an exclusive environment for under-18s.** All students are treated as independent, mature individuals. However, we acknowledge that students under the age of 18 are legally children, and we have put in place a Safeguarding policy which is known to all staff and Homestay providers. English in York has a DSL (Designated Safeguarding Lead) whose job is to ensure the welfare of all under 18 students in the school as well as two Deputy Safeguarding Leads.

The school will normally speak directly with a student, and not with parents. English in York will correspond with parents only when the student's welfare and progress is considered at risk and the matter cannot be dealt with between the school and the student.

English in York recognises the need to safeguard younger students so follows the policies and guidelines of the current UK legislation relating to the care of young people. All students in school under the age of 18 years are identifiable by their purple student lanyard.

The parent or guardian of any student who is under the age of 18 must provide 24-hour contact information for the duration of the young person's course at EiY. The parent or guardian should in turn retain the school's contact details.

It is expected that students will respect the wishes of their Homestay family regarding such matters as behaviour, care for their home and mealtimes. The student must keep the Homestay informed of their whereabouts and the times at which they will return following school or other activities. English in York assigns the time by which young students are expected to return to their Homestay each day (normally 10.30pm).

Lunch is not provided by the host on weekdays, and students are expected to purchase their own. Parents/guardians should ensure that children have sufficient funds for this. Students will be expected to travel by bus unaccompanied.

## Programmed Social Activities for Students Under 18

English in York organises various social activities and excursions. These usually take place outside normal school hours, either in the evenings or at weekends. They form an important part of the student's time at EiY, offering the opportunity to socialise with other students and staff, and the chance to visit places of interest in the area. There will be a charge to cover such items as admissions and transport.

All students are invited to join in the social programme\*\*, which is supervised by EiY staff to appropriate ratios.

In signing the English in York Consent Form, parents/guardians consent to a student aged under 18 taking part in organised events, except where UK law forbids it.\*\*

*\*\* Occasionally, evening events may be appropriate for students age 18+ only (e.g. pub /clubnights). Students aged under 18 will not be permitted to attend in these circumstances.*

## The Law in the UK

### Alcohol and tobacco

UK law states that it is illegal for anyone under the age of 18 to purchase alcohol and tobacco. The school will take reasonable steps to seek to ensure that the law is not broken but cannot undertake to supervise individual students.

### Relationships with staff

Under the Sexual Offences (Amendment) Act 2000, it is a criminal offence for any person in a position of trust to engage in sexual activity with someone under 18 years. All staff at English in York have had police (enhanced DBS) checks.

### Child protection

Child protection is a matter of law in England, a person under the age of 18 years is a child. The School has a Duty of Care to protect those under the age of 18 from abuse and will report any suspicions or allegations of abuse of children to the appropriate authorities. Any such suspicions or allegations will be reported to the Designated Safeguarding Team within the school initially.

The three members of staff who make up the Designated Safeguarding Team are:

- Katy McDonald (Operations Manager and Designated Safeguarding Lead);
- Miriam Regan (Accommodation Officer and Deputy Safeguarding Lead); and
- Zena Jewitt (Groups Coordinator and Deputy Safeguarding Lead).

English in York's full Safeguarding Policy is available on our website.

## Abusive Behaviour Policy

English in York aims to create an environment where all staff and students feel happy and safe. Please respect and enjoy the diversity of the English in York community. We have a duty to protect each other from abusive behaviour. All staff and students have a responsibility to report abusive behaviour, whether they have observed it themselves, heard about it from the victim or an observer, or are the victim.

Abusive behaviour is any behaviour intended to hurt or upset someone physically or emotionally, either face-to-face or online (cyberbullying).

The following list contains some examples of abusive behaviour:

- physical violence or inflicting of physical pain or discomfort of any kind;
- sexual harassment, including physical and verbal abuse;
- threats of any kind;
- name calling or laughing at someone;
- spreading rumours about someone;
- refusing to work or interact with someone in the classroom.

If behaviour like this is repeated, it is called bullying. If you feel you are being bullied, please talk to someone about it as soon as possible.

## EIY procedure for dealing with abusive behaviour

Bullying is unacceptable and we take it very seriously. The process described below would be an example of step 3 of our 'Discipline 5 steps':

- complaints of abusive behaviour should be reported to the Director of Studies/Management. If you feel more comfortable doing so, you can speak with any member of staff, who will refer your complaint to Management
- Management will investigate by discussing the incident with all the people involved
- the incident will be recorded in writing and the bully will be asked to apologise to the victim
- if the bully and/or bullied is under 18, the parents / guardians will be contacted immediately and informed of the behaviour
- designated Safeguarding Staff will be kept fully aware of the situation throughout
- if the abusive behaviour involves dangerous physical harm or where UK law has been broken, the police will be contacted. The alleged perpetrator(s) may be suspended immediately until police enquiries have been carried out. 'Discipline step 5' could be immediately reached in this circumstance.

## Policy regarding discipline and exclusion

English in York expects a mature approach to attendance and timekeeping; and that students and staff will treat each other politely and with respect. Any behaviour which adversely affects the opportunity to learn, or which makes others uncomfortable, will be viewed seriously. This may include:

- repeated or extended absences or lateness;
- inappropriate behaviour or language related to nationality, ethnicity, age, disability or gender; or
- damage to property

We will investigate and act on any occurrences or complaints, as follows:

### Discipline 5 STEPS:

1. Discussion
2. Verbal warning by Director of Studies / Management
3. Written warning by Director of Studies / Management to students. A copy will be forwarded to parents or sponsors where appropriate.
